SW Audio+Visual is a leading provider of AV services with regional offices located throughout the province of British Columbia. With a team of nearly seventy-five professionals servicing our clients we are rapidly growing and expanding our operations and are in need of new talented team members to help contribute to our success. We are currently seeking an Technical Services Supervisor for the South Okanagan region based out of Penticton, BC.

As the Technical Services Supervisor for our South Okanagan operations you will be responsible for the day-to-day deliver of all AV needs for our contracted Penticton properties. This will require you to deal with customers on a daily basis; setup, operate, and dismantle AV equipment; handle quoting, invoicing and billing; and provide suggestions on the most appropriate solutions for each individual and unique event. You will be required to manage a crew of technicians when a larger event takes place within the properties; ensuring quality and efficiency is achieved. You will be required to assist on other SW events outside of the properties and city as needed.

The successful candidate will have a minimum of 2 years experience in either the AV or Hotel & Tourism Industries. You must be professional in your appearance; have the ability to communicate effectively both verbally and in writing; be organized; and have a willingness to work the industry demanding hours. You will have a valid BC drivers license and be physically fit and able to perform all duties. Preference will be given to candidates with previous leadership and supervisor experience.
